Coming up Soon!

On 17th January our local Knowsley MP Sir George Howarth is coming into for a tour of the School and a question and answer session with Year 10 and Year 11. This is a great opportunity for our pupils to learn more about how Government and Democracy works and ask about things such about Brexit, voting at 16, the General election and our local area.

Year 9 pupils will be studying the Muslim Religion in the Spring term. Pupils will visit the Mosque in Liverpool for a tour, a look at artefacts and a question and answer session.

9.1 and 9.2 will visit on 16th January 9.3 and 9.4 will visit on 30th January.

This is always an enjoyable and educational experience.

On 27 th January a representative from Blesma, the injured veterans association will be speaking to pupils in Year 7,8, and 9 and doing a workshop with Year 10/11 pupils. They will recount their own experiences in overcoming barriers , getting motivated , setting goals and making the most of their lives . This promises to be an inspiring and uplifting experience for our pupils.

The careers day held at Alt Bridge on 28th November was a great success with 17 providers with information about College courses, access opportunities, apprenticeships, work skills and voluntary opportunities. Over two hundred Alt Bridge pupils and 35 parents and carers attended. Incredibly positive feedback from providers who complemented pupils on their politeness and enthusiasm and the School for its warm welcome and fantastic community spirit. Watch this space for more exciting careers events in 2020.
